AGREEMENT

This Agreement (together, with its Exhibits, "Agreement") is made and entered into by and between Twin Communications of America, Inc. ("Twin" or "Purchaser"), a corporation duly incorporated under the laws of California with its principal business address as set forth below on the signature page hereof, and Transvirtual Technologies, Inc., a California corporation (also referred to as "Transvirtual") with its principal business address as set forth below on the signature page hereof. Together, Purchaser and Transvirtual are the only parties to this Agreement, each a "party" and collectively "the parties."

Purchaser and Transvirtual agree as follows:

Section 2. Sale of Software, License of Tools, and Transfer of Know-How

2.1 Sale of Software and Delivery of Source Code to Purchaser. Subject to this Agreement's terms and conditions, Transvirtual hereby sells to Purchaser the Software. Such sale includes any and all filed patents, patent applications, trade secrets, trademarks, and applications for trademarks associated with the Software, all of which, if any, are set forth in **Exhibit C**. All rights sold under this Section 2.1 shall be fully paid-up and royalty-free upon receipt of the payment set forth in Section 3.1. Upon receipt of the payments set forth in Section 3.1, Transvirtual will deliver to Purchaser its most current, complete and accurate copy of all Source Code, Object Code and Tools for the Software.

2.2 License Grant. Subject to this Agreement's terms and conditions, Transvirtual hereby grants to Purchaser the following exclusive license throughout the worldwide free to: use, copy, reproduce, market, distribute (directly or indirectly through others), sub-license (directly and/or indirectly through others), make the assignment of any other third party, make derivatives of, and otherwise commercially exploit, the Tools. All rights granted in this Section 2.2 shall be fully paid-up and royalty-free upon receipt of the payment set forth in Section 3.1.

2.3 Transfer of Know-How. At or within three weeks the delivery of the Source Code for the respective Software to Purchaser as described in Section 2.1, at Transvirtual's cost and through a person familiar with the Software, Transvirtual shall conduct a tutorial to transfer the know-how associated therewith, consisting of not more than 24 hours of training in the methodology, architecture, and operation of the Software for one or more of Purchaser's engineers. Such training shall be at a mutually acceptable time and place and may occur after ordinary working hours on a basis acceptable to both parties. Purchaser personnel receiving such instruction shall be reasonably proficient in the computer programming skills necessary for Transvirtual to transfer the information so that a Purchaser engineer can create, modify and implement changes to the Software.

Section 5. Proprietary Rights

5.1 Enhancements. Purchaser shall own all Software and all transferred intellectual property rights therein, any and all modifications, upgrades, adaptations, improvements and other enhancements to the Software that it (or other(s)) makes to the Software and shall have full rights to exploit same as it sees fit, without royalty or other payment to Transvirtual.
